Cindy,

I appreciate the heads up.

If AmyBeth or the Speaker arrive at the start of the 12noon or 6pm session, she will be introduced prior to the presentation. IF not, her presence will be acknowledged prior to the question and answer period.

The registration staff will escort her to the comment room where she would be next in que to provide comments, should she decide.

Cami, Speaker Kotek is reading her hard copy of the plan, which she received last week, and asks how percentages for dredging, capping and monitored natural recovery compare to the Duwamish and some other sites around the country. Knowing how busy all are, I said that we would respond next week.

Alana, Legislative Assistant AmyBeth Stevens plans to attend the June 29 meeting on behalf of Speaker Kotek. Please introduce her, but she will not make a statement.

Speaker Kotek will attend a meeting in July. Please introduce her, and she may be prepared to make a statement then.

Cami, her office has “technical questions,” so I’ve asked specifically what they are, so that we can determine the who and how for the response.

(On another subject, did you have a chance to look at the 3 PH bullets that I sent you?)

Alana, Speaker Kotek and her legislative assistant Amy Beth attended a CAG meeting last night and plan to attend EPA’s public meeting on the 29<sup>th</sup>. I said that Speaker Kotek could be introduced and make comments near the beginning of either the 12:00 to 12:30 or the 6:00 to 6:30 sessions. I’ll let you know if she wants to do that.
